The spa jumped on the cannabis bandwagon earlier this year by adding the Cannabis Relax and View website Restore Massage into their remedy menu. The 2-hour treatment begins with a warm cannabis tea to calm your senses. The therapist will then perform their magic on you through cannabis oil massage and give added attention to the sore components of your body. Cannabis appears to be popping up everywhere in Thailand, even in the luxury wellness industry.

The caregivers were informed concerning the wellness benefits of gentle oil massage in infants to guarantee fantastic compliance to intervention.
