Binance is world's largest crypto exchange which is founded by CZ Binance . In this page, we are discussing about the answers of this quizzes . But before you did any future trade in the crypto currency through this app , binance you have to pass through the different quiz conducted by Binance .

Can US citizens/residents trade on Binance Futures? I'm having trouble finding a definitive answer. However, bitcoin I'm a US citizen. I was hoping to get into Binance's DeFi USDT Index, which I think is through Binance Futures.

no, maybe at a later time since the US version of Binance is fairly new and has to operate to specific US standards which may change later; there's going to be ETH futures on CME 2/4/21 in addition to BTC futures so hopefully sooner rather than later.

By going long, btc a trader buys a futures contract with the expectation that it will rise in value in the future. Visit for btc Binance Futures Fees Explained. Step 2: btc Fill out the form by entering your email and password.
