Thought you might find this interesting... VEMMA is a USA health and wellness company that offers everyone an opportunity to earn EXTRA income part-time or full-time. Vemma products in Nigeria are VEMMA Mangosteen (the premium anti-oxidant and immune system booster) and VERVE the healthy energy drink). Affiliates or distributors get paid for using the products and recommending it to people in their sphere of influence. In simple words, build a team of customers and affiliates and get paid on the total products sold and consumed by your team. So, you get paid on your effort and the effort of people in your team. VEMMA pays as much as \$35,000USD per week / \$140,000 USD per month in one part of the pay plan alone
