Hello, binance I know that 25X leverage means that if I buy a crypto futures and bitcoin that crypto rises 4 percent in value my return would be 100%, binance futures but what if my crypto drops 4 percent in value? Does it mean that I will lose all of my money (-100%) and the trade would be over?

Bitcoin'in dü?ece?ini öngörüyorsan?z sell / short i?lemi yaparak BTC dü?tükçe para kazanabilirsiniz. Örne?in Bitcoin'in artaca??n? dü?ünüyorsan?z BTC/USDT i?lem çiftinde buy / long i?lemi yapabilirsiniz.

Also, with effect from a date to be announced in a later notice, users from Hong Kong will have a 90 days' grace period to close their open positions. We will be restricting Hong Kong users in respect of derivatives products (including all futures, bitcoin options, margin products and leveraged tokens) in-line with our commitment to compliance." During the grace period, no new positions may be opened. "Users from Hong Kong will not be able to open new derivatives products accounts.
